Britax Companion Car Seat : Target

Having searched far and wide for a US made car seat for our first-born, we settled on the Britax Companion along with the Britax Vigour stroller. To say the least, we were deeply disappointing when we received the products. Both the stroller and car-seat are short on quality, clumsy and poorly designed. It is not worth the price being charged.

The Britax Companion got very high safety ratings for 2005, and was available here at Amazon, so I ordered it. Definately a heavy duty set up. The extra bar on the base makes a huge difference for stability in my opinion. The extra side protection is a bonus and not available with most car seats, but it is kinda bulky around baby's head.

Infant seats are normally for infants that weigh approximately 22 pounds or less, are 25 inches or less in length. Always place the seat in the back seat of the vehicle and make sure the child safety seat faces rear of the vehicle. Never put an infant in the front seat of a vehicle that has a passenger-side air bag.
