Jumper 1 Steven Gould

Steven Gould's "Jumper" is a dark, fascinating story that's part character study, part hard sci-fi with realistic elements. My introduction to it came in a combination of someone recommending me books that were banned in some areas, and another person saying its title resembled one of my WIPs (though the stories are nothing alike).

Jumper, by Steven Gould, is an action-packed exciting adventure about a likeable teenager who has an awesome superpower. Davy is mostly easy to believe in. He's a little too urbane for his age and experience — he quickly transforms from high school dropout to fine-dining connoisseur, and I've never met a teenager as well-read as Davy — but other than that he acts like a normal kid.
