Sin And Sensibility Griffin Family

(3.5 stars) Sin and Sensibility, the first book in Enoch's Griffin Family Series, is a fun read with great leading - and supporting - characters. The premise for the book, or rather what propels the H&H to interact and develop a relationship, was not very strong and didn't make much sense and as much as I didn't want it to, this kind of detracted from my enjoyment of the story.
